

# SKIP TRACING

Ramsey Investigation Services (RIS) offer an extensive skip tracing service to all clients as follows

## Why you need us?

- Debt Recovery
- Missing Person
- Process Serving
- Field Calls

## Benefits for engaging with RIS to conduct Skip Trace:

- 24/7 access to real time updates and reports.
- Should the subject relocate within 3 months of file closure, file reopened without any further cost to client
- First two skip traces (Silver Service) at no charge (volume submission required)
- Discount for end of month pay on time for clients sending bulk files per month.

### Silver Service

Initial Skip Trace including all standard searches but excluding any substantial pay per search item without prior approval from the client. Includes up to 2 hours desktop searching. If subject is not located within this time frame, a recommendation for an upgrade to the next level of service would be presented to the client.

### Gold Service

Includes all Silver Service searches however will also include pay per search documents including ASIC, property registers, and other pay as you use online services.

### Platinum Service

Includes all Silver and Gold capabilities with shorter time frame and in any case within 7 days.
